

There are no recorded activities from the Arts and Exhibition chair prior to January 2023. At the January meeting the Board voted me in as Co-Chair of the Arts and Exhibition Committee.

During the January to March time period I met with Sarah and her Staff several times to create the 2023 exhibition schedule. As of April the schedule was finalized and numerous Exhibition Prospectus's were written, edited and published. In May 2023, 2 new judges were contacted and selected to jury the New England Regional Show. As of May 2nd Galleries were opened and exhibitions were installed. Throughout the season I meet with and discuss the schedule with Sarah and her staff and make recommendations for changes for next year.
